

Town of Framingham's Fall Event!

Framingham Department of Public Works

Household Hazardous Waste Collection Day Saturday May 21, 2016 9 am - 1 pm

Anthony M. Colonna DPW Operations Center
100 Western Ave, Framingham, MA

Please bring:

- ✓ pesticides
- ✓ herbicides
- ✓ bug sprays
- ✓ rodent poisons
- ✓ paint thinner
- ✓ urethanes
- ✓ oil based or enamel paint
- ✓ lead based paint
- ✓ pool & spa chemicals
- ✓ concentrated fertilizers
- ✓ cleaning solvents
- ✓ caustic cleaners
- ✓ degreaser
- ✓ photo chemicals
- ✓ old gasoline / kerosene
- ✓ diesel oil
- ✓ aerosol cans containing paint
- ✓ Mercury-containing devices

Framingham residents **ONLY**. Proof of residency required and photo ID.

No commercial waste.

Reduce long waits: combine your waste with your neighbors' and carpool.

Do NOT Bring:

- *radioactive waste including radioactive type smoke detectors (batteries can be removed, and the smoke detector can be thrown out in the regular trash)
- * explosives
- * gunpowder
- * flares, ammunition
- * PCB oils
- * bulk chemicals / oil
- * asbestos
- * medical / biological waste including sharps
- * Items that are collected regularly as part of the normal weekly operations of the Town of Framingham Recycling Drop-off Center are NOT collected as part of the Household Hazardous Waste Event.

NO LATEX PAINT

Latex paint can be safely disposed of at curbside by following these steps. Remove the lid from each can. Dry up any liquid paint by stirring in an absorbent material. Allow to dry. Place open can next to trash at curbside on your regular trash day.
